Dear Mr. Anthony DiSorbo:

On behalf of Camelot Community Care's Broward and Palm Beach operations, I want to thank **American Van Lines** for your assistance with our recent office furniture move. We truly appreciate that you donated the move at cost to our organization on August 24, 2006.

As you are aware, **Camelot Community Care, Inc. is a non-profit agency serving foster care children, families and youth in need of mental health and supportive services for over 30 years.** We frequently conduct fundraisers to support the programs and families that we serve. The furniture that your crew moved for us was actually a donation from another company as part of a project to improve our workspace.

Thank you for generosity and contribution to this project. The gentlemen that you sent to facilitate our move were very professional, efficient and courteous. Everything went smoothly and they were willing to help us rearrange the furniture coming in with the existing furniture.

This is actually the third move that American Van Lines has done for us. Camelot would definitely recommend American Van Lines to other agencies and associates, as well as contact you for future moves.

If you would like to use us as a reference, we can be contacted at 954-958-0988 x3011.

Sincerely,

Leslie Serena, LCSW
Director of Client Services
Camelot Community Care, Inc.
